

Systemic Lupus Erythematosus Grant FY18-19 Program/Fiscal Frequently Asked Questions

You may email Commission Program Staff at: Reina.Sims@mih.ohio.gov or Fiscal Staff at: Venita.O'Bannon@mih.ohio.gov if additional information is needed. Created 5/16/17

Program:

1. **Does your office already have set areas of priority? If so, what are they?**
 - The Commission does not have a list of priority service areas for Lupus programming.
2. **Is it the grant seeker's job to demonstrate the amount of need?**
 - Yes, it is the grant seeker's responsibility to document the demonstrated need in their proposed service area.
3. **Are you able to give any examples of how or what types of evidence that can demonstrate need in a certain area?**
 - As per page 8 of the Lupus RFP, each applicant must define the specific problems and needs to be addressed by the proposed project. Applicants are to support the extent of the problem and needs statement with statistics, research findings, or other documentation.
