

April 11, 2002

Dear Colleagues:

We are pleased to inform you that our slogan, "Good Health Begins With You!" was registered with the United States Patent and Trademark Office on February 12, 2002. It is ironic that we received our certificate of registration on April 1, 2002 as we began our 14<sup>th</sup> annual celebration of Minority Health Month.

Please note that the use of this slogan by agencies other than the Commission should be printed as: Good Health Begins With You! ®, with a footnote stating, a registered trademark of the Ohio Commission on Minority Health.

We hope that you and your constituents are enjoying a healthy and productive Minority Health Month!

Best wishes.

Sincerely,

Cheryl A. Boyce  
Executive Director
