“April is Minority Health Month!”

2021 MINORITY HEALTH MONTH
CALENDAR OF EVENTS

A 30-Day Wellness Campaign

“Taking Action to Achieve Health Equity”

**Good Health
Begins With You! ®**

Celebrating 34 Years of Service

“APRIL IS MINORITY HEALTH MONTH”

MINORITY HEALTH MONTH BACKGROUND :

Minority Health Month (MHM) was created in Ohio in April 1989. The first celebration featured community initiated events. We were elated, since our goal was for one event to be conducted each day throughout Ohio. Minority Health Month was designed to be a 30-day inclusive, high visibility, wellness campaign.

The five goals established for the month, from inception, remain valid today. Those goals are to:

- provide crucial information to allow individuals to practice disease prevention;
- promote healthy lifestyles;
- showcase the providers of grassroots healthcare resources and information;
- highlight the disparate health conditions between Ohio’s minority and non-minority populations; and
- to gain additional support for on-going efforts to improve minority health year round.

In 2000, MHM became a national celebration. In 2005, the National Association of State Offices of Minority Health was created with a vision to provide leadership in transforming the health of racial and ethnic minority communities, tribal organizations, and nations. In April, we will join our fellow State Offices of Minority Health in lifting up wellness and good health.

The creativity of these initiatives executed by community based agencies and organizations has been extraordinary.

We applaud our many partners for their continued commitment to improving the health status of communities across Ohio.

This month long wellness campaign focuses on health promotion and disease prevention among minority populations.

All events are free and open to the public.

“APRIL IS MINORITY HEALTH MONTH”

MINORITY HEALTH MONTH AND COVID-19

Due to COVID-19 many Minority Health Month funded grantees will be holding virtual events this year. For each event, there is contact information and a phone number for the public to call to receive information about the events, please make sure to contact the agencies for registration instructions regarding the virtual events. You can also visit the funded agency websites for additional registration instructions.

For the funded **in-person** events, **the events must follow strict CDC COVID-19 guidelines as well as guidelines put in place by the State of Ohio.** Please make sure to wear your mask, maintain distancing and follow the rules of each event.

CALL FIRST: Because of COVID-19, the event times, dates, and locations could change after the publication of this calendar. Please make sure to contact the funded agencies for the most up to date information regarding the activities.

All events are free and open to the public.

Good Health Begins With You!®

Note: The times, dates and locations of Minority Health Month events are subject to change after the printing deadline. We suggest you contact the agency telephone number listed for verification of events.

UPCOMING FUNDING ANNOUNCEMENT

Minority Health Month 2022

The Ohio Commission on Minority Health announces the availability of the Request For Proposals (RFP) for Minority Health Month 2022.

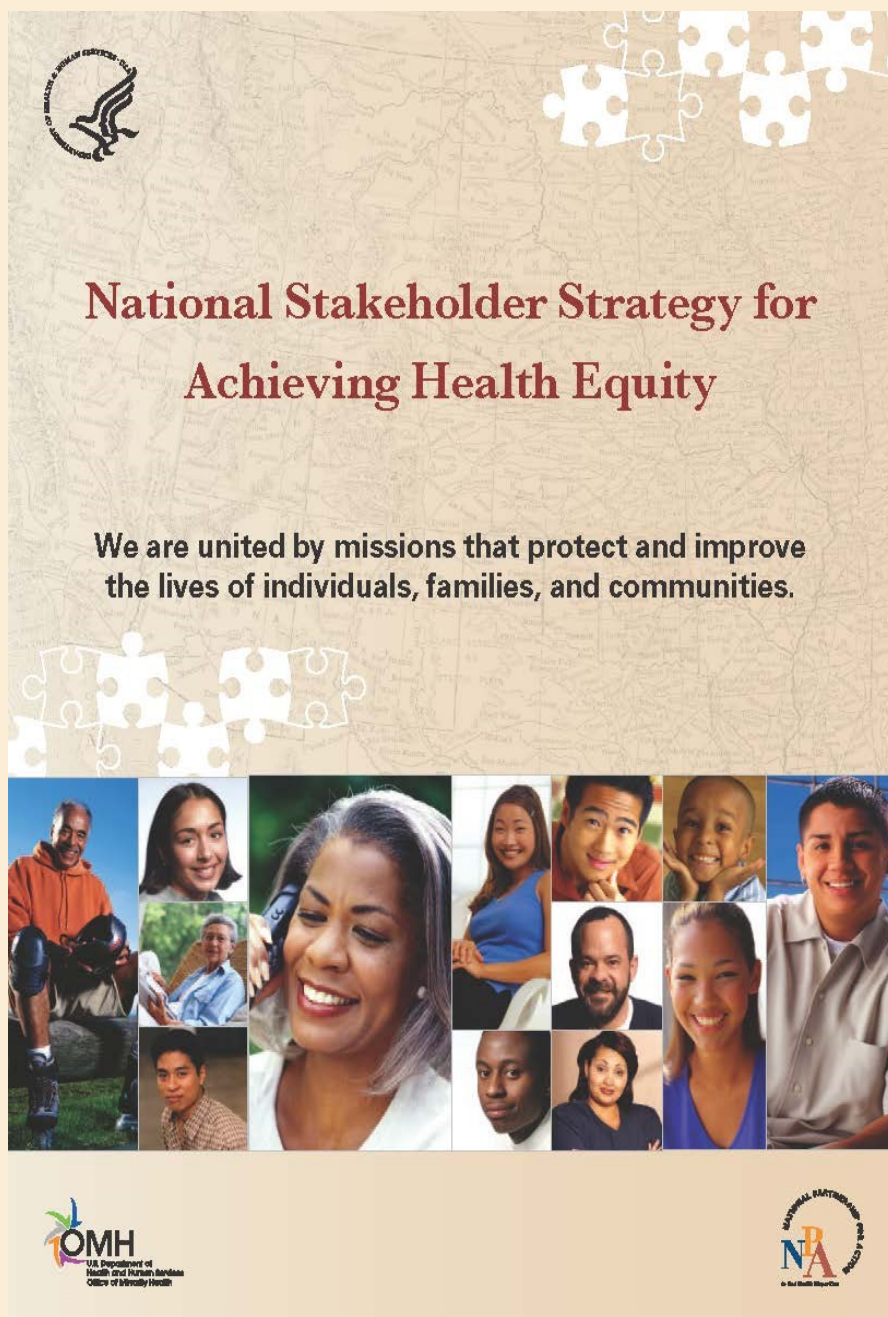

The RFP outlining grant requirements and registration for technical assistance sessions will be available on our website www.mih.ohio.gov on **June 7, 2021**.

For additional questions contact the Ohio Commission on Minority Health at 77 South High Street, 18th Floor, Columbus, Ohio 43215 (614) 466-4000.

The deadline for funding application submission is July 19, 2021.

**The Commission issues a
STATEWIDE CALL TO ACTION
to practice the activities and programs that arose from the:
The National Stakeholders Strategy for Achieving Health Equity**

<https://minorityhealth.hhs.gov/npa/files/Plans/NSS/CompleteNSS.pdf>

**National Stakeholder Strategy for
Achieving Health Equity**

We are united by missions that protect and improve
the lives of individuals, families, and communities.

NATIONAL MINORITY HEALTH MONTH

#VaccineReady

April 2021

The focus will be to empower communities to:

- **Get the facts about COVID-19 vaccines and share accurate information**
 - **Address their historical and contemporary hesitancy concerns**
- **Make an informed decision to get vaccinated when the time comes.**
 - **Practice COVID-19 safety measures**

Be sure to:

- **Wear a mask to protect yourself and others and stop the spread of COVID-19.**
- **Wash your hands often with soap and water for at least 20 seconds**
- **Stay at least 6 feet (about 2 arm lengths) from others who don't live with you.**
