Miscellaneous Supplemental Funding

Background

The Commission funds Miscellaneous Supplemental (MGS) Grants based on the availability of funding each year. This fund is designed to sponsor health related activities that raise the visibility of the Commission and increase the focus of minority health disparities. These activities must reach and impact Ohioans from no less than two counties and have a focus on racial and ethnic populations. This source of funding is **not** designed to support ongoing, long term programming.

Funding levels vary from year to year and will be based on the amount of funds available within each fiscal year (FY). For program activities in FY 23, the Commission will consider sponsorship for activities up to \$15,000.

Please note, funding requests must be submitted in MHGM at least 90 days prior to the date of your event. Additionally, events that occur after July 1st, must be submitted by April 1st to allow time for review, and submission to the board, if selected to submit a full proposal.
